

# DR PUJA VIJAY SUKHIJA

ACADEMIC ADVISOR, PLATFORM SKILLS TRAINER, CONSULTANT

The millennial generation deals with zeta bytes of information and somewhere the real connect is trailing away. Empowering youth to be confident and dynamic has been my passion because they are the most hopeful segment of any nation. I strongly believe that every human is complete in himself. It is possible to build from wherever we are and unleash inner potential to achieve personal passions and goals...

...Trained 30,000 learners till date. Still counting

## A RICH AND DIVERSE EXPERIENCE

**CORPORATE SECTOR**  
**K-12 EDUCATION**  
**HIGHER EDUCATION**

Over the last three decades, I have been on the academic and administrative side with schools across all boards, in a consultant's capacity with the corporate sector and in the higher education space. The tapestry of my skills is interweaved with experiences from all the three segments that I have worked in.
